HOW WILL YOU PROVIDE YOUR AD?

Choose one: provide your own finished ad or have our team create it.

◯ **I provide a finished ad** — $0 additional creation charge

OR: OPTIONAL AD CREATION BY OUR TEAM

◯ **We create a photo / static ad** — $49 per new creative + sales tax

◯ **We create a video / animation** — $299 per new creative + sales tax

◯ **Custom filming / production** — Quoted separately + sales tax

Minor changes are reviewed by scope; any charge is confirmed before work. After selection, we follow up separately for ad files, assets and design direction.

$99 one-time setup + sales tax is required for every advertiser, whether you provide the ad or we create it. Separate from advertising and creation; includes onboarding, technical file review, upload, scheduling, and on-screen testing/launch.
